

Prepare for your intake interview by allowing yourself 15-30 minutes to speak with a Client Services Intake Specialist. Make sure the phone number you have given us is working and allows for unknown callers, as our agency's numbers will appear "Unknown" or "Blocked Caller." Have a list of any medical symptoms, food allergies and current medications ready. Be able to explain entry instructions into your home.

After speaking with a Client Services Intake Specialist, you will then speak to someone in our Nutrition Department for your nutritional assessment. When this is completed, you will be scheduled for your first meal delivery.

Every client is required to have a God's Love We Deliver medical referral form completed and signed by a doctor, physician's assistant or a nurse practitioner. A Client Services Intake Specialist can fax this form directly to your medical provider, or you can take the form to your provider yourself. A form comes in the Client Packet that arrives on your first delivery or you can download a copy of the medical form from our website, located on **Forms** page.

The form can be faxed to Client Services at 212-294-8198 or mailed to us at:
