

**GOD'S LOVE  
WE DELIVER®**

# Food is Medicine. Food is Love.

**THE MISSION OF GOD'S LOVE WE DELIVER** is to improve the health and well-being of men, women and children living with HIV/AIDS, cancer and other serious illnesses by alleviating hunger and malnutrition. We prepare and deliver nutritious, high quality meals to people who, because of their illness, are unable to provide or prepare meals for themselves. We also provide illness-specific nutrition education and counseling to our clients, families, care providers and other service organizations. All of our services are provided free to clients and always with love.
