

**GOD'S LOVE  
WE DELIVER®**

2009 ANNUAL REPORT

## DELIVERING A PROMISE

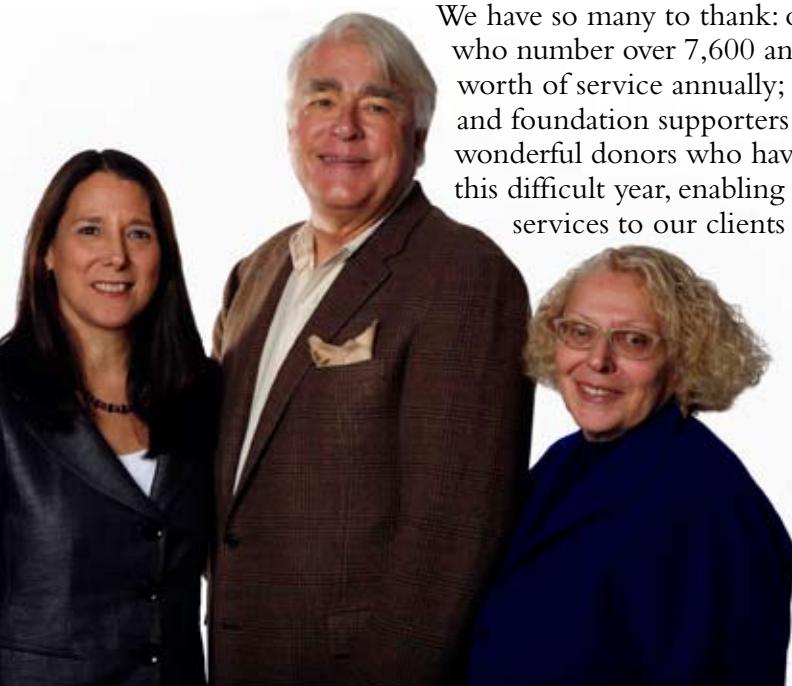

# DEAR FRIENDS,

**A**t God's Love We Deliver, 2009 was a year of great accomplishment. We have so much to be thankful for, especially the many milestones we reached. In June, we had the profoundly humbling experience of delivering our 10 millionth meal. Our founder, Ganga Stone, was there with us to celebrate and reflect; could she have ever imagined such an accomplishment would come twenty-three years after her simple act of delivering one meal to one man dying of AIDS?

We have come so far, and yet the need in our community remains so great. Now we are cooking and delivering well over 3,400 nutritious, individually-tailored meals every day. God's Love remains the only organization in New York City providing meals designed by a registered dietitian to meet the specific nutritional and medical requirements of each client. And we continue to do so while holding true to our core principles that we will never have a waiting list and that we will never charge for our services. We are so proud to be able to say this, and we simply could not do so without the support of literally thousands of caring people.

We have so many to thank: our fantastic volunteers who number over 7,600 and provide over \$2M worth of service annually; our amazing corporate and foundation supporters and, of course, our wonderful donors who have stood by us throughout this difficult year, enabling us to provide full services to our clients without interruption.

Sincerely,

Michael A. Sennott  
Board Co-Chair

Earlier in the year, we received national recognition when our long-time board member, Joan Rivers, was named "The Celebrity Apprentice," winning the NBC program of the same name. Joan competed on behalf of God's Love, and, in winning, not only did she generate unprecedented awareness of our organization and mission, but she leveraged a wonderful financial contribution as well. It was a long and difficult competition, and we marvel at Joan's grace, strength and sense of humor through it all.

As we look to the future, we find ourselves at a crossroads. In order to be able to continue to grow and to always be there to meet the needs of our ever-growing client base, we find it necessary to change many aspects of our operation, including our long-time delivery model. In changing from a hot/frozen model to a chilled/frozen model, we will be able to stay true to our mission of never having a waiting list for our friends and neighbors in need. God's Love received an extraordinary grant from Feeding America to support this critical initiative and have used the funds to create new efficiencies in our operations, further extending our reach. Additionally, we will be purchasing a new fleet of refrigerated vans that will make it possible for us to deliver meals to even more clients without compromising freshness, taste or food safety. We look forward to continuing to make this vision a reality in the coming year.

We hope you enjoy our 2009 annual report. With your continued support, we will serve even more people more nutritious meals. Together, we will continue to be there for those who need us most.

# FOUNDING PRINCIPLES

**W**hen a client calls God's Love We Deliver looking for help, they are frequently desperate and alone. We have always answered every call with our guiding principles at the forefront: no one should ever have to face the dual crises of hunger and illness; we will never have a waiting list; and our services will always be provided free of charge. Since our founding in 1986, we have held proudly to these principles and more, delivering hope and dignity along with our meals.

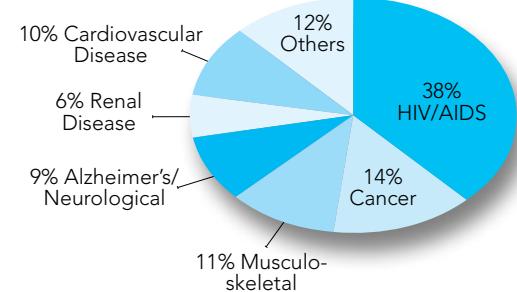

In 2009, God's Love cooked and delivered more than 810,000 meals to 3,636 clients, 300 children, and 60 senior caregivers, an increase of over 7% from the prior year. Our clients are overwhelmingly poor, with nearly 90% living at or below the poverty level in the region's most underserved neighborhoods. The meals we deliver help nurture and comfort our clients who are facing disease, fear and loneliness.

In 1985, as the AIDS crisis was taking an ever greater toll on our community, one woman delivered a meal to one man who was too sick to shop or cook for himself. From this simple act of compassion, God's Love We Deliver was born. In June, we humbly but proudly cooked and delivered our 10 millionth meal. How far we have come from those often distressing, early days. Today, the situation is much more hopeful, with a number of clients living longer, more productive lives. But as much as things have changed at God's Love, one thing will always remain the same: we will always be there for our friends and neighbors in need, reminding us all how an act of human kindness can provide hope and comfort in even the most difficult situations.

# NUTRITION

**N**utrition is truly the signature difference at God's Love We Deliver. Unlike any other agency in the area, all of our clients work with one of our Registered Dietitians so that we can design a customized meal program that best meets their specific medical and nutritional requirements. This individualized nutrition and counseling is what sets God's Love apart from other meal programs. Our meals are individually prepared with the freshest and highest quality ingredients to ensure our clients receive optimum nutritional value.

# A SALUTE TO JOAN RIVERS

## THE 2009 CELEBRITY APPRENTICE

Over 15 years ago, the extraordinary Joan Rivers joined the Board of Directors of God's Love We Deliver.

Since then, she has used her wit, charm and humor to raise much-needed funds, and has rolled up her sleeves to chop vegetables in the kitchen and deliver meals to our clients. This year, Joan needed all of her persuasive powers as she competed on NBC's reality television program *The Celebrity Apprentice*. In winning the competition, Joan earned urgently-needed money, over \$500,000, for our program. And, very generously, the M•A•C AIDS Fund made an additional contribution of \$250,000 in recognition of Joan's accomplishment. We are so proud of Joan for being named the year's *Celebrity Apprentice*. We are even more proud to call her our friend. Thank you Joan and congratulations!

# VOLUNTEERS

God's Love We Deliver was started 23 years ago when one woman volunteered her time, energy and compassion to help people who were sick and dying from AIDS. Since then, our volunteers have always been the heart and soul of God's Love We Deliver. Incredibly, each year over 7,600 different people volunteer in some capacity, providing over \$2M of donated time and service.

We simply could not do what we do without the unwavering support of our awesome volunteers. Some have been with us for over 20 years, and every month 1,300 people, including individuals and corporate groups, help God's Love complete our important mission. We thank them for their time and for caring so much!

# OUR SUPPORTERS

**A**t God's Love We Deliver, fundraising certainly "takes a village" as they say! In 2009, we raised more than \$9.7 million dollars, one dollar at a time including small gifts like that from the boy who sent us some of his bar mitzvah money because he wanted to help those less fortunate. We are also thankful for large gifts from generous supporters like the M•A•C AIDS Fund, The NYC AIDS Fund of The New York Community Trust, Broadway Cares/Equity Fights AIDS, the Carnegie Corporation, AVON Foundation, Susan G. Komen for the Cure, and for all the gifts from over 27,000 individuals, corporations and foundations that were contributed to help us help our friends and neighbors in need. A beautiful village indeed.

# LOYAL FRIENDS SUPPORT OUR URGENT MISSION

God's Love We Deliver has become well known for its wonderful signature events. Each year, we conduct four significant events that play an important role in our overall fundraising efforts. We also assist at a variety of smaller events throughout the year that benefit our program.

At our **2nd Annual Golden Heart Awards** dinner, held at the magnificent IAC building, we were proud to honor the important contributions of those who have supported our mission over the years. The 2008 Golden Heart Award honorees were Harry Slatkin for lifetime achievement, 7th on Sale for community service and Roz Gilbert for outstanding volunteerism.

The **Race to Deliver** marked our 15th consecutive year in Central Park, where thousands of runners, walkers and spectators gathered on a crisp morning over the 4 mile course to help raise funds for our program. Board member Star Jones was among those on hand to cheer on the hearty and dedicated participants.

In the Spring, at the **6th Annual Authors In Kind**, board member Linda Fairstein once again emceed and gathered three wonderful authors who signed copies of and

spoke about their work. Wally Lamb, Giulia Melucci and William D. Cohan joined Linda for a terrific afternoon.

In June, the **9th Annual Midsummer Night Drinks** took place at the beautiful home of Martin and Mary Puris in Sagaponack. Despite a few raindrops, over 300 guests spent a lovely evening in support of our cause.

Of very special note this year, our own Joan Rivers was named the **Celebrity Apprentice** on the NBC reality television program of

the same name, earning urgently needed money – over \$500,000 for God's Love in the process. Numerous other events took place throughout the year to benefit God's Love, including the Bloomingdale's table-top auction, which once again raised much needed funds.

We are deeply grateful to all who supported our fundraising efforts this year.

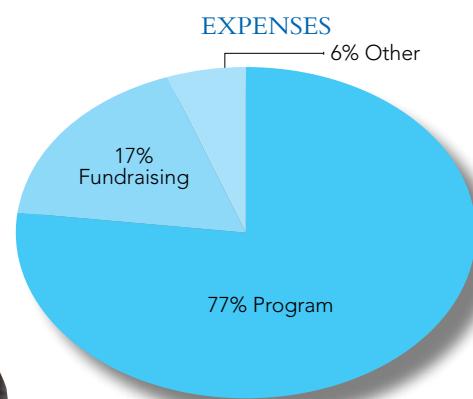

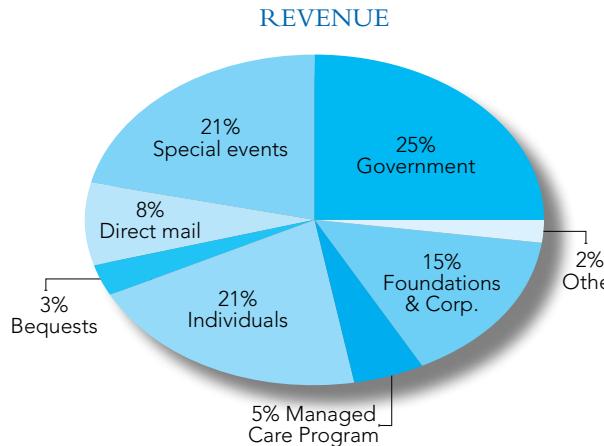

# FINANCES

Fiscal year 2009 (July 1, 2008 - June 30, 2009)

Funding from generous individuals, foundations, corporations and government sources provides a diversified base of support helping to ensure that we are able to continue our important mission. One way that we do this is to utilize the services of over 7,600 volunteers annually, providing \$2M worth of donated services. In fact, over 77% of all revenue goes directly to client services. Our donors expect no less.

**GOD'S LOVE** is proud to meet or exceed all 20 standards of accountability established by the Better Business Bureau for charities.
