

GOD'S LOVE
WE DELIVER®

2010 ANNUAL REPORT

DELIVERING A PROMISE

DEAR FRIENDS,

As God's Love We Deliver approaches our 25th year, we reflect on the profound spirit of service and commitment shared by all those in our community. In 2010, your partnership made all the difference for our neighbors in need. Thank you.

In fiscal year 2010 we faced both a difficult funding environment and further programmatic growth. With your support, God's Love nourished 3,772 men, women, children and senior caregivers affected by life-altering illnesses. No one was turned away.

God's Love has been extraordinarily successful in reaching people whose severe illness makes it impossible for them to shop or cook for themselves. After talking with clients, and with careful planning, in 2010 we decided to transition to a chilled/frozen meal service. This new model is more efficient, while offering clients more variety, increased choice regarding delivery schedules, and greater control over what they eat and when they eat it.

God's Love is committed to exercising the highest level of accountability and discretion in regard to resources. We are very proud of our entire team, and as a result of our success, in 2010 God's Love was honored with a prestigious New York Times Company Nonprofit Excellence Award for management excellence. We were one of only three nonprofits in the metropolitan area to be so honored.

Many partners demonstrated exceptional

commitment to our work in 2010. These partners include the M•A•C AIDS Fund, Avon Foundation for Women, Calamus Foundation, Educational Foundation of America, Horace W. Goldsmith Foundation, William Randolph Hearst Foundation, Holtsinger Foundation, Greater NYC Affiliate of Susan G. Komen for the Cure, Macy's Foundation and Bloomingdale's Fund of the Macy's Foundation, The New York Community Trust, SC Group, Wells Fargo Foundation, and The Judith C. White Foundation.

We are particularly appreciative of one special gift in 2010 from longtime Tuesday kitchen volunteer Richard "Buzz" Koontz, who passed away in 2008, and left a most generous bequest to God's Love. Buzz's gift has made a tremendous difference to the many men, women, and children God's Love serves every day.

Our diverse community—clients, board members, volunteers, and supporters—called us to a high level of performance in 2010. We responded with a record number of meals delivered and many programmatic innovations. We fulfilled the goals of our three-year strategic plan, and approved a new four-year plan that presents our organizational vision and opportunities through 2014. We look forward to sharing this with you in the months to come.

As our 25th anniversary approaches, we are proud to belong to such a dynamic, responsive, and visionary community. Again, thank you so much for your strong commitment and caring spirit. Together, we will continue to be there for those who need us most.

FOUNDING PRINCIPLES

Our clients are living with severe illnesses that affect their whole way of life. The meals and nutrition counseling God's Love provides are critical services that help them not only to get better, but also to take some measure of control over their circumstances. When we deliver a meal, we are delivering not only nourishment, but also dignity and respect. As always, God's Love does so without charge, without delay and without fail.

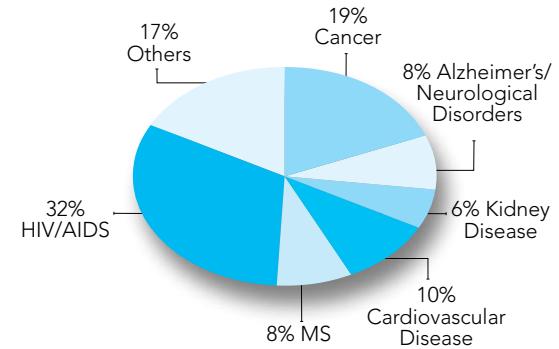

In 2010, God's Love cooked and delivered more than 846,000 meals, the most in our history. Meals were delivered to 3,417 clients, 257 children and 98 senior caregivers. Our clients are overwhelmingly poor, with the vast majority living at or below the poverty level in the region's most underserved neighborhoods in New York City and parts of New Jersey. The meals we deliver help reassure and comfort our clients who are facing disease, fear and loneliness.

NEW YORK TIMES COMPANY NONPROFIT EXCELLENCE AWARD

In 2010, God's Love We Deliver was named the silver prize winner for Overall Management Excellence at the fourth annual New York Times Company Nonprofit Excellence Awards.

This prestigious award came after a rigorous and competitive process that involved a number of complex written submissions and site visits.

"These wonderful organizations teach us all about the excellent management practices that any nonprofit manager can use, especially in a time of financial crisis," said Michael Clark, president of the Nonprofit Coordinating Committee of New York.

This prestigious award is a reflection of the hard work and dedication of the entire God's Love We Deliver family, and it also serves to underscore the urgency of our important mission. We are very proud of this honor, and it will help us stay focused on doing what we do best: helping our friends and neighbors in need.

NUTRITION

Nutrition is truly the signature difference at God's Love We Deliver. Unlike any other agency in New York City, our staff of Registered Dietitians works with every client to design a custom meal program that best meets each person's specific medical and nutritional requirements. This individualized attention is what sets God's Love apart from all other meal programs. Every day, our meals are individually tailored with the freshest and highest quality ingredients to ensure that our clients always receive optimum nutritional value.

A REMARKABLE LEGACY

In 2010, God's Love received a remarkable \$1 million legacy gift from longtime Tuesday kitchen volunteer, Richard "Buzz" Koontz. Buzz passed away in 2008.

In December, God's Love celebrated Buzz's energy, spirit and generosity with some of his close friends and fellow volunteers at a special reception. One guest said of Buzz, "In the last years of his life, nothing made Buzz happier than coming to God's Love to work with his new friends. This became his second family and gave him such great joy."

Buzz's extraordinary gift means so much to everyone at God's Love, especially the men and women living with life-altering illnesses, and their families, who will directly benefit from his incredible caring and generosity.

VOLUNTEERS

God's Love We Deliver was started 24 years ago when one woman volunteered her time, energy and compassion to help people who were sick and dying from HIV/AIDS. Since then, our volunteers have always been the heart and soul of God's Love We Deliver. Incredibly, each year over 7,600 different people volunteer in some capacity, providing over \$2 million of donated time and service.

We simply could not do what we do without the unwavering support of our amazing volunteers. Some have been with us since the early days of the agency. Individuals and corporate groups from companies such as Polo Ralph Lauren, Goldman Sachs, Ford Motor Company, and Bath & Body Works, to name just a few, come every day to help God's Love complete our important mission. We are extremely grateful for their dedication and the time they give to help others in need.

OUR SUPPORTERS

Through the generosity from over 17,000 individuals, corporations and foundations, we were able to prepare and deliver 846,042 meals in 2010—an increase of 5% over the previous year.

In 2010, God's Love We Deliver raised over \$9.5 million. We depend on the caring spirit and generosity of our supporters. We are grateful to each and every one for their strong commitment, making it possible for us to reach the many men, women and children living with life-altering illness whom we serve every day.

RACE TO DELIVER

MIDSUMMER NIGHT DRINKS

God's Love We Deliver hosts four signature events annually. Each one plays a vital role in achieving our overall fundraising goals.

In October, we held our **3rd** **Annual Golden Heart Awards** dinner. We were proud to honor fashion icon Calvin Klein, New York City Council Speaker Christine Quinn and longtime volunteer Ed Prostak. Each has done so much to support God's Love and our mission.

More than 7,000 people participated in the **16th Annual Race to Deliver** in Central Park. God's Love Board Members Blaine Trump and Tamara Tunie were among those on hand to cheer the runners at the starting line.

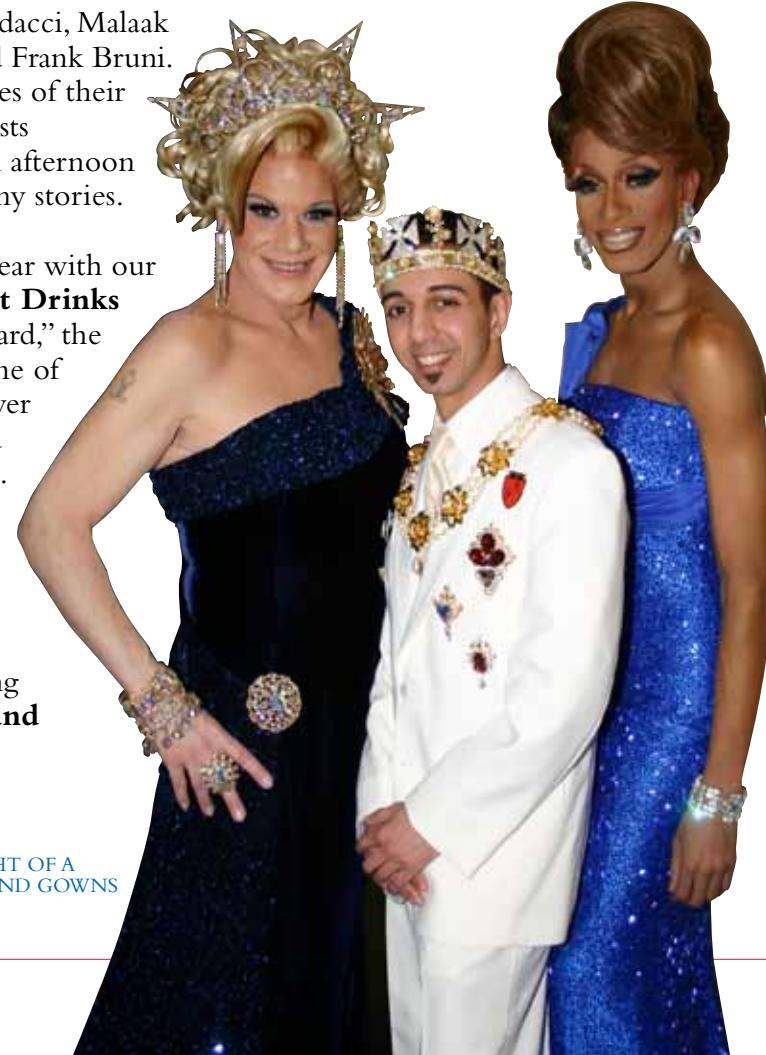

In the spring, at the **7th Annual Authors In Kind** literary luncheon, author extraordinaire and Board Member Linda Fairstein welcomed our guests and three best-selling "Authors

In Kind": David Baldacci, Malaak Compton-Rock and Frank Bruni. Authors signed copies of their latest works and guests enjoyed a wonderful afternoon of poignant and funny stories.

We concluded the year with our **Midsummer Night Drinks** party at "The Barnyard," the Bridgehampton home of Chad Leat, where over 400 guests enjoyed a magnificent evening.

We are also deeply grateful for friends who supported our work through their own events, including **Night of a Thousand Gowns** and other fundraising efforts.

FINANCES

Fiscal year 2010 (July 1, 2009 - June 30, 2010)

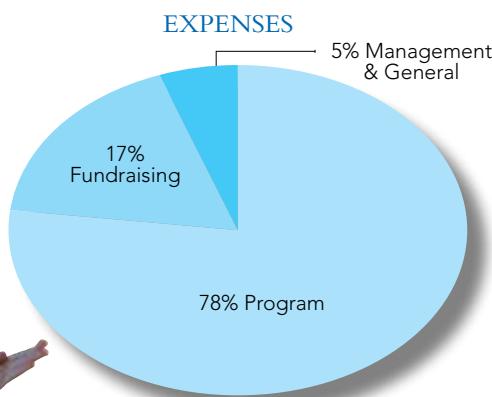

Funding from generous individuals, foundations, corporations and government sources provided a diversified base of support, helping to ensure that we were able to continue our work without overreliance on one revenue source. We worked hard to guarantee that valuable contributions were used on behalf of our clients. One way that we did this was to utilize over 7,600 volunteers annually who provided \$2 million worth of donated services. Over 78% of all revenue went directly to client services. Our donors expect no less.

GOD'S LOVE is proud to meet or exceed all 20 standards of accountability established by the Better Business Bureau for charities.
