Ten Million Meals and Still Cooking...

On June 20th, God’s Love We Deliver marked our incredible achievement as we prepared and delivered our 10 millionth MEAL.

Several hundred guests, staff, celebrities, board members, volunteers, clients, and caregivers gathered for the 9th Annual Midsummer Night Drinks. Among the attendees were Jonathan Adler and Simon Doonan, Hollie Greene, and Jim Rottman, Richard and Kristen Thompson, Jon Gilman, Eileen Gilman, John Cucci, Lisa Sherman, Jon and Rebecca Bond and Gene Martinez. These great supporters! Thank you and our family for hosting this wonderful party, extend a special thanks to the Puris over 1,700 clients every weekday. We delivered ten million meals, hope, and dignity. These changes will ensure that we continue to meet the needs of the growing numbers of people who are turning to us for healthy meals.

Last year, we streamlined our client intake process and training for new clients. This year, in the midst of all this activity, we will also begin rolling out new innovations that will benefit more of the individuals and families who need our nutrition meals.

Our mission is to ensure that 100 percent of the meals we prepare are delivered. To do this, we have decided to install new software, new equipment. These changes will ensure that we continue to meet the needs of the growing numbers of people who are turning to us for healthy meals.
