FALL 2019

## A Message From Karen Pearl

JENS AUDENAERT, TERRENCE MECK, KAREN PEARL, KATY WILLIAMSON &amp; DAVID TERVEEN AT NYC PRIDE

Every time I walk in the door of God's Love, I am reminded of how lucky I am to work at such a magical place. We are supported by so many generous friends who believe in our life-saving mission, as well as over 15,000 volunteers annually whose dedication and hard work continue to amaze me. Our volunteers give us the most precious gift possible – the gift of time – and we are grateful every day for their enthusiasm and commitment. As we enter this very special time of year, I am particularly grateful.

Advocacy is another way to help those who need us most. Over the past few months, our advocacy team has been out in the community spreading the word about who we are and what we do. We have been making presentations that demonstrate thought leadership in the field of medically tailored meals, as well as educating our supporters about healthcare trends and our work to integrate medically tailored meals into the healthcare system.

We have also been working hard to help get a bill passed in New York State that would provide funding for medically tailored meals in the Medicaid statute. We have traveled to the State Capitol in Albany to meet with elected officials and discuss our work and its positive impact on health outcomes and healthcare system costs.

God's Love serves as the convener of the Food is Medicine Coalition (FIMC), an association of nonprofit medically tailored food and nutrition service providers. Each September, we coordinate the FIMC National Symposium in Washington, D.C., where we discuss exciting new research in our field, best practices guiding our programs and services, and cement our policy priorities for the year. The social determinants of health are receiving increasing attention in the healthcare community, so this year's convening felt momentous.

Thanksgiving Day at God's Love has become extra special for the thousands of clients we serve throughout the year—4,000 on a typical day, and more than 7,500 in a year. This year, each of our clients will receive a delicious, lovingly-prepared Thanksgiving meal, plus a guest meal to share with a friend or loved one. We believe that no one should have to spend the holiday alone. Each client will also receive a festive, God's Love branded gift bag filled with snacks to enjoy during the holiday to remind them we care. Knowing that we reduce the isolation often felt by our clients makes this day at God's Love even more meaningful.

Cooking and delivering holiday meals is a huge community effort, and with your support, we will cook and deliver

an estimated 8,000 Thanksgiving meals this year. None of this would be possible without the help of some 1,300 volunteers on Thanksgiving Day itself and many more in the weeks leading up to the holiday. If you are interested in joining us to deliver meals in your neighborhood on Thanksgiving, please visit [glwd.org/holiday](http://glwd.org/holiday).

In just a few short days, after you receive this newsletter, we will be celebrating three extraordinary honorees – Pete Buttigieg, John Demsey and Iman – and the great work we accomplish each year at God's Love. The Golden Heart Awards promise to be an inspiring, elegant and fun evening.

As we move into the holiday season, I am personally asking you to be as generous as possible this year in supporting God's Love. Being sick and hungry is a crisis that demands an urgent response. With your help, we can continue to serve the growing number of clients who rely on our life-sustaining meals – free of charge to them and full of love.

I wish you all the best this holiday season and into the New Year.

—Karen

#### CLIENT PROFILE:

## Delivering Love to Angela

Originally from Jamaica, Angela moved to Brooklyn a few years ago. She loves reading Agatha Christie murder mysteries and watching sports, particularly basketball. A former New York Knicks fan, she has now transferred her loyalty to the Brooklyn Nets.

Angela loved her work as a property manager. Climbing up stairs and down fire escapes and inspecting rooftops, she loved its demanding physicality and how every day was different. But after Angela was diagnosed with breast cancer, her whole life was turned upside down.

Cooking and shopping for herself became impossible. Her medication leaves her dizzy. She is so exhausted that she can no longer climb stairs. Following her lumpectomy, Angela had nine months of chemotherapy and radiation. Today, she is undergoing hormone therapy and there have been troubling side effects: Severe neuropathy in her feet and hands, and dizziness from her medication.

She tells us, “When I get up in the morning, my feet are crying. It’s like you’re standing on stones or something sharp. I drop things – things fall out of my hands.”

Angela learned about God’s Love through an outreach person at the American Cancer Society. Immediately she began receiving medically tailored, home-delivered meals from God’s Love. All of a sudden, everything she’d been struggling with became much easier.

“Breast cancer made things so much more difficult for me,” she says. “Cooking is out of the question. I can’t stand for a long time and I feel lightheaded over a hot flame. I know I can count on your delicious meals in my freezer. It’s good for me, I look forward to it, and I don’t have to worry.”

Her cholesterol has gone down since she joined our program. She loves her Thanksgiving meal delivery that comes in a bag hand-decorated by kids. Our Nutrition team members have worked closely with Angela to provide her with a vegetable-rich diet she loves.

“The staff have been helpful in making these meals just for me. I love that it’s an already-prepared meal, and I don’t have to do anything but heat it up.”

Angela is grateful for the ease and relief our meals bring to her and her life, and she’s also thankful for all the people who make this possible.

**“I know I can count on your delicious meals in my freezer. It’s good for me, I look forward to it, and I don’t have to worry.”**

#### PROGRAM:

## Breast Cancer Program Helps Women and Families

October is Breast Cancer Awareness Month, and every year we take this opportunity to spread the word about our services for individuals and families affected by breast cancer.

The side effects of cancer treatments make it difficult to eat well, and malnutrition can complicate breast cancer treatment, making it harder to recover. Our Breast Cancer Program delivers nutritious meals for households affected by breast cancer. Our meals are individually tailored to meet the nutrition needs of patients undergoing treatment, helping them to regain their strength and independence.

When one person is sick, the whole family is affected. For the children of parents who are too sick to shop or cook for their families, we provide child-friendly dinners, as well as breakfast kits to help kids start the day right. We also provide meals for senior caregivers who are struggling to meet their own needs while caring for a sick loved one with breast cancer.

Our dietitians track clients’ health and medical treatments to offer the right food at the right time, including soft, minced or pureed food for those who may have trouble chewing and swallowing. We produce nutrition guides specifically for breast cancer patients and survivors which we share with clients, community-based organizations and healthcare providers.

Nancy, a client of our Breast Cancer Program, recently shared her story about how God’s Love makes a difference in her life. Nancy is a 42-year-old single mom with a 15-year old son. When Nancy was diagnosed with breast cancer on top of a lupus diagnosis, everything changed. “I had lost all energy to

do something as simple as walking,” she says. “I have to rely on someone else to do things for me and I’m not used to that. I lost so much weight.” Nancy found herself isolated and depressed.

Nancy began receiving meals from God’s Love and she feels each meal has made her a little bit stronger. Working with a dietitian, Nancy says our program “helped me to figure out a lot of things – what to eat to try to keep the weight on.”

There are many more stories like Nancy’s in our Breast Cancer Program. In the past year we cooked and delivered 82,730 meals for 313 breast cancer patients, their children, and their senior caregivers. We rely on our wonderful partners—Komen Greater NYC, New York Community Trust, and others—to keep this program going. If you would like to learn more about supporting our Breast Cancer Program, contact our Development Department at [development@glwd.org](mailto:development@glwd.org).

NEWS:

# Celebrate With a Plate!

We love good, nutritious food at God's Love and we know our clients do too! Which is why we always look forward to the holidays. It's that time of year when we go the extra mile to make sure everyone who depends on us get a little something special.

At Thanksgiving, and again in December, we deliver a special holiday meal for all of our clients, their children, and their senior caregivers. And, since the holidays can be a lonely time, our clients can also receive a meal for a guest, so they can invite someone to join them.

Our Thanksgiving meal delivery is a special effort that involves the whole community. This year we will feature our popular "Thanksgiving Feast" menu of roast turkey, gravy, and stuffing accompanied by sweet potatoes, Brussels sprouts, soup and a tasty dessert. Every household will also receive holiday extras including nutritious snacks like graham crackers, nutrition bars, raisins

and other treats. The entire staff at God's Love is joined by hundreds of volunteers on Thanksgiving Day, all working together to make sure our clients feel special when they might otherwise feel forgotten or alone.

Our Winter Feast in December is another amazing and delicious—and, of course, nutritious—project led by our kitchen staff and Registered Dietitian Nutritionists who work together on the recipes. This year's festive holiday meal will be corn chowder, braised beef, and, for dessert, a holiday sprinkle cookie. We will also offer fish, vegetarian, and minced or pureed options (for those with chewing difficulties) so that every client, child or guest can enjoy a special meal. We are happy to report that we had many compliments from clients on this new menu. Our Executive Chef Daniel Metzger says: "Food is Medicine, but it doesn't have to taste like medicine!"

Hungry yet? Here's some ways you can get involved:

- Please share the spirit of the season and sponsor one or more holiday meals today for just \$10 each by visiting [glwd.org/celebratewithaplate](http://glwd.org/celebratewithaplate).

- If you are interested in volunteering to deliver meals in your neighborhood on Thanksgiving, please visit [glwd.org/holiday](http://glwd.org/holiday).
- As you plan to reach out to friends and colleagues with warm wishes, consider our annual holiday card selection and "Gifts from the Heart" catalog. Please review the insert in this newsletter for our cards and catalog gifts such as a votive by glassybaby, a candle by AERIN, Chuck's Famous Brownies, and more. 100% of the proceeds from our holiday tribute cards and catalog go to God's Love.

Thank you for your generous support.

# Second Helping with Eva Wirth

In 1993, Eva received an appeal letter from God's Love. At the end of the letter it asked if she'd like to learn about volunteering. Deeply concerned about the AIDS crisis and looking for a way to give back, she checked the box yes. And the rest is history!

Eva had lived in the East Village during the late 80s and saw first-hand the toll the AIDS pandemic took on the city around her. In just a few short years, the entire community landscape around her changed. When she received her letter from God's Love, she knew that it was time to roll up her sleeves and give back to support those around her. She'd been in a difficult place in her life and she knew that helping others could positively change how she felt.

Eva still remembers the first time she walked into our kitchen at the American Youth Hostel on 103rd Street and Amsterdam. She remembers how small the kitchen was,

EVA WIRTH

but how bright and energized it felt. It was a Monday night and she met some of the regulars including Judith Schasberger and Norma Grant, both of whom still volunteer at God's Love all these years later.

After 10 years of volunteering Eva took a break. In 2007 she was diagnosed with breast cancer. She endured six weeks of radiation. While she'd always been active as a cyclist, swimmer, and runner, she changed her diet according to her doctor's advice.

Last year, Eva found her way back to God's Love. She met our Board of Trustees member Bill Ribbecke at Orangetheory Fitness. Like the true God's Love ambassador he is, Bill mentioned his work with us to Eva and she decided to sign back up. Now, Eva has made Wednesday afternoons her weekly shift, but fills in on other shifts too.

And Eva's commitment at God's Love doesn't stop at the kitchen. In September she participated in the Douglas Elliman Ride for Love.

Eva continues to feel the change God's Love has made in her life, from introducing her to so many kind people, to giving her important and impactful work, and to helping change her outlook on life.

**“It's like my happy place. I've met so many nice people that care about each other through God's Love. We bring out the best of New York. I'm so glad to be here.”**

Thank you, Eva, for your care and support!

# Leading the Field in Food is Medicine

God's Love We Deliver acts as the convener of the Food is Medicine Coalition (FIMC), an association of nonprofit medically tailored food and nutrition service providers. Each September, we coordinate the Food is Medicine Coalition National Symposium in Washington, D.C. This Symposium is made possible by generous funding from the MAC AIDS Foundation. This past September, we successfully hosted our 9th Annual Symposium. This year's symposium felt particularly momentous because of the widespread attention that the social determinants of health are receiving in the healthcare community. The Symposium gave us the chance to come together and reflect on the past year, discuss exciting new research, learn about the innovative work being done across the country, and advocate for policies that expand access to medically tailored meals.

This year, there was no shortage of expert guest speakers. Former NYS Medicaid Director and Partner at Manatt Health, Deborah Bachrach, joined us to discuss Medicaid's role in addressing the social risk factors that influence health. Senator Bob Casey Jr. of Pennsylvania provided us with opening remarks to kick off our Hill Visits where FIMC agencies meet with elected officials to educate them about the medically tailored meal intervention and the work of the Food is Medicine Coalition. And finally, we had the pleasure of receiving closing remarks from Congressman Jim McGovern of Massachusetts who co-leads the Food Is Medicine Working Group of the House Hunger Caucus. Representatives from the Center for Health Law and Policy Innovation at Harvard Law School, AIDS United, Manatt Health, NASTAD, Nonprofit Finance Fund, Northwestern Medical Center, Unite Us, and Kaiser Permanente also presented.

Amid planning for a National Symposium, the Policy & Planning team took our message on the road, presenting at several national conferences. In August, Alissa Wassung, Director of Policy & Planning, was in

ALISSA WASSUNG, OUR DIRECTOR OF POLICY & PLANNING, SPEAKS AT THE NATIONAL RESOURCE CENTER FOR NUTRITION AND AGING ALONG WITH FIMC COLLEAGUES.

Washington, DC, presenting at the convening of the National Resource Center on Nutrition & Aging, alongside colleagues from the Center for Health Law & Policy Innovation at Harvard Law School, Community Servings in Boston and Project Angel Heart in Denver. Collectively, partners addressed the need to nourish seniors through medically tailored meals.

Alissa also presented in August at the American Sociological Association's annual meeting with our colleagues from Columbia University's Mailman School of Public Health on a panel titled *Food Insecurity and HIV/AIDS*. Alissa discussed our joint research, as well as the need for additional support for research in the field of nutrition.

Each year, God's Love We Deliver is honored to present at the United States Conference on AIDS (USCA). This year Karen made her way to DC to join our Food is Medicine Coalition colleagues on a panel titled *Food is Medicine: Addressing Access Barriers through Nutrition Services*. Karen discussed the development of the Food is Medicine Coalition's national nutrition standards for medically tailored meals, which were recently adopted by the NYC Health and

DIRECTOR OF NUTRITION SERVICES LISA ZULLIG, DIRECTOR OF POLICY & PLANNING ALISSA WASSUNG, PRESIDENT & CEO KAREN PEARL, SR. DIRECTOR OF EXTERNAL AFFAIRS DORELLA WALTERS AND POLICY & PLANNING ASSOCIATE DANIELLE CHRISTENSON AT THE FOOD IS MEDICINE COALITION SYMPOSIUM

Human Services Planning Council to improve the quality of food for people living with HIV.

To finish out a busy summer and fall conference season, Alissa will join our Food is Medicine Coalition partners at the end of October at the Root Cause Coalition's 4th Annual Summit on the Social Determinants of Health: Health Equity in our Time. Alissa and partners will host a Pre-Conference Institute titled *Addressing Health Inequities through Innovative Partnerships Providing Access to Food is Medicine Interventions*. The Root Cause Coalition Summit provides an opportunity for healthcare providers and community-based organizations to come together and discuss the social determinants of health and learn from the innovative partnerships taking place across the country.

For years, we have continuously stressed the importance of nutrition as a social determinant of health. We are so pleased that this concept is receiving the national attention it deserves and we hope that these educational opportunities serve as a catalyst for bringing our life saving services to more people in need.

**@godslovekaren**

Always love making deliveries to clients. Happy to do it today with @dluddy.

Lots of love at @GodsLoveNYC this morning! @MakeUpByCamila, @LarsenThompson and more joined us today to volunteer at @godslovenyc and celebrate #Pride.

## NUTRITION:

# Soup: It's more complicated than you think!

by Lisa Zullig, MS, RDN, CSG, CDN

You probably know that our handmade soups have been a significant part of our meal program for many years. But you might be surprised at how much thought goes into every batch of soup that we cook!

In past years, staff cooked all soups in large commercial kettles. Once cooked, soups were then packed into individual containers. Despite the best efforts of our staff and volunteers, we noticed that the proportion of ingredients was not always equal from one serving to the next. Preserving our nutritional standards and quality are essential, which led us to develop a new method of production and pack-out. Our teams are now in the process of transitioning all non-puree soups to this new system.

The effort began with the development and analysis of new soup recipes by the Culinary & Nutrition teams. These new recipes, along with some of our tried and true favorites, make up our current soup menu. The Nutrition team crunched the numbers in an innovative way, creating

nutritional templates for pack-out. Next, our Chefs completely revised production so that ingredients are cooked individually or in groups. The desired portion of each is then added to the individual soup containers along the pack-out line by volunteers and staff, resulting in a standard product.

As always, we make sure that our clients enjoy a variety of vegetarian, chicken and beef soups, along with our entrees, breads, and desserts. Each soup provides an excellent portion of vegetables, along with grains and protein.

Communication to our staff and volunteers has been key to this transition. Our Culinary and Nutrition teams introduced the new process along with its benefits to all stakeholders, and as the process is tested and refined, both staff and volunteer input has been extremely helpful.

Once fully implemented, following this new soup production and pack-out system will result in

a more reliable product. This is not only a benefit to our clients, but it is also a boon for overall efficiency and our ability to serve all who need us.

### Preparation

1. In a large pot, heat the olive oil.
2. Season chicken with salt and pepper, add to pot, cook until slightly browned and no longer pink.
3. Add the carrots, celery, and parsnip, season with salt and pepper, stir for about 6 minutes or until tender.

## Sightings of great work for God's Love around town...

PROJECT ANGEL FOOD CEO RICHARD AYOUB & GOD'S LOVE PRESIDENT & CEO KAREN PEARL

### VICENTE WOLF HOSTS, WE PARTY

On May 16, Board of Trustee member Vicente Wolf opened his beautiful home to us and our peer organization Project Angel Food from Los Angeles for a fun and informative evening. As God's Love shares many supporters with our West Coast counterpart, we've begun a tradition of hosting our mutual friends in May for cocktails, great food and interesting conversation. Next year the event returns to Los Angeles. Thanks to everyone who came to show their support of our work!

EXECUTIVE CHEF DANIEL METZGER, KAREN PEARL, CHEF MIKE ANTHONY & DR. ROBERT GRAHAM

### COMMUNITY TABLE WITH ROBERT GRAHAM

On May 15, Chef and Board member Mike Anthony and Dr. Robert Graham hosted our spring Community Table event, speaking about the power of food as medicine. We loved the conversation and the amazing food! Thank you to Delta for generously sponsoring the event.

GENLOVE EXECUTIVE COMMITTEE

### ROCKAWAY SOIRÉE

More than 200 folks braved this summer's heatwave to celebrate and support God's Love on Saturday, July 20 at our second annual Rockaway Soirée. Thank you to the entire genLOVE Executive Committee for hosting. Special thanks to the Steven & Alexandra Cohen Foundation for their generous support of the event, and to Nicholas Compagnone and Felicia Saucedo for being the backbone of the Soirée.

HOST DOREEN KATEN, GOD'S LOVE VICE PRESIDENT & CHIEF DEVELOPMENT OFFICER DAVID LUDWIGSON & GUESTS

### FABULOUS FUN IN FIRE ISLAND

On Saturday, July 13, God's Love thanked our longtime supporters on Fire Island with a cocktail party in The Pines. Doreen Katen, a great supporter of our work, hosted, and the event honored The Pines Pantry which, even to this day, displays a donation can and sends God's Love a check annually to support our services. Donation cans were one of our earliest fundraisers, with cans spread across the city and beyond. Thanks to everyone who joined us to celebrate!

CHEF MIKE ANTHONY, KAREN PEARL, CITY HARVEST CEO JILLY STEPHENS & DAVID LUDWIGSON

### CARING FOR COMMUNITY WITH CITY HARVEST

On May 22, God's Love's President & CEO Karen Pearl and City Harvest's CEO Jilly Stephens participated in a panel at God's Love, moderated by Chef Mike Anthony. Since September, City Harvest has donated more than 32,000 pounds of produce to God's Love. In return, God's Love has donated more than 13,500 meals to City Harvest. This discussion revolved around the new partnership and each organization's future. Both organizations began in the 1980s, are volunteer-driven, and are committed to supporting the most vulnerable in our communities.

# Transforming Partnerships at God's Love

God's Love We Deliver depends on the generosity of many corporations and foundations who—through volunteerism, grants, and other contributions—help us meet the nutrition needs of our vulnerable clients who are too ill to shop or cook for themselves.

For example, our work would not be possible without the dedicated support of all our wonderful volunteers, and American Express is an invaluable partner to our Volunteer Department. Teams of American Express employees regularly volunteer throughout the year. American Express also sponsors our Volunteer Program and annual Volunteer Celebration, helping ensure that volunteers have a good experience at God's Love, and helping to recognize our volunteers' extraordinary efforts.

Another great partner, the Greater New York City Affiliate of Susan G. Komen, extends its focus in the breast cancer field by supporting local breast cancer patients with our medically tailored meals as well as nutrition education and outreach. The Cowles Charitable Trust also recently offered its generous support for our work helping breast cancer clients.

While many people who receive our meals live alone, in other cases an entire household is struggling. A mother with cancer still needs to care for her young children. Also, seniors on our program might live with a senior caregiver who is overwhelmed. Macy's, a wonderful partner at God's Love through grants and volunteerism, is now supporting our Family Meal Program, helping deliver breakfasts and child-friendly dinners for our clients' children, as well as meals for our senior caregivers.

Our staff members all work on Thanksgiving to bring clients and their guests a delicious turkey dinner with all the trimmings and a gift basket filled with non-perishable treats like granola bars, raisins and applesauce. Both the Binn Family Foundation and the Krumholz Foundation are longtime partners

helping us deliver the joy of the holiday. AXA Equitable Foundation joined our Thanksgiving effort this year as well!

Much work goes on behind the scenes so that our program can continue to grow. This means staying up to date with our technology, our evaluation techniques, and the data management needs of our contract partners. Earlier this year the Altman Foundation awarded us a grant for technology upgrades to build our organizational capacity, and expand our ability to conduct research. And the New York Community Trust—a longtime partner of our cancer program—recently pitched in to help us develop a new client management system that will help us serve more Medicaid clients, while assessing the efficacy of medically tailored meals for those on Medicaid.

A huge thanks to all our amazing partners for your commitment! If your company or foundation is interested in getting more involved at God's Love, please email David Ludwigson, Vice President & Chief Development Officer at [dludwigson@glwd.org](mailto:dludwigson@glwd.org).

## Celebrating Many Ways to Give

Through the years, our supporters have found countless meaningful ways to support the clients of God's Love. Through volunteering, donating, and simply acting as ambassadors, you have done so much to make sure we can always be there for our neighbors living with severe and chronic illness. This year we were honored to receive support in some very unique ways thanks to our wonderful friends.

GENLOVE MEMBERS ON CLIENT MEAL DELIVERY DAY

ALEXANDRA IDOL AND JUSTIN SPERLING

In honor of their wedding, genLOVE Executive Committee member Alexandra Idol and Justin Sperling encouraged guests to make donations to God's Love. In total, they raised over \$90,000, funding more than 9,000 meals! We are so honored that they made us part of their celebration, and we wish them much happiness and joy in their next chapter together.

In May, our genLOVE Executive Committee members took a day off from their day jobs to volunteer for Client Meal Delivery. Each member got matched up with a driver to make deliveries all around the City. Thanks to Josh Cohen, Julia Cordry, Joanna Groarke, Trent Huffmann, Eryn Hughes, Chloe Kelley, Jonathan Lau, Anjuli Nanda, and Christina Sardone for truly going the distance for our clients—collectively, this group delivered

500 meals to our neighbors who are too sick to shop or cook for themselves.

And what would summer be without lemonade? This summer, our young friend Hannah captured our heart with her lemonade stand benefiting God's Love. In total, she raised a whopping \$700 with her stand and a Facebook fundraiser (for friends and family who couldn't come by), funding 70 medically tailored meals for our clients! Over in Warsaw, NY our young friends Isadora and Ariadna held their stand for the second year in a row to benefit God's Love—free lemonade with a donation to God's Love. We're grateful for the hard work and generosity of these young hearts and thanks to everyone who supported their stands, too!

# Midsummer Night Drinks

A threat of rain couldn't stop our 300+ guests at the 19th Annual Midsummer Night Drinks held at the Samuel Parrish house, est. 1889 in Southampton, New York.

At the event, God's Love Board of Directors Chair Terrence Meck and President & CEO Karen Pearl gave inspiring remarks about the vital nature of our mission. Actress, singer and philanthropist and God's Love Board of Trustee Tamara Tunie then led guests in a rousing live auction where guests bid on program items such as meals for one year for a person living with HIV/AIDS or meals for a mother living with breast cancer and her children for six months.

God's Love would like to thank this year's corporate sponsor Tito's Handmade Vodka. Special thanks to Canard, Inc., Campari, Jordan Roth and Paul Wilmot Communications.

Everyone left with "Chuck's Famous Brownies," baked with love by Chuck the Baker, who has been the baker for God's Love for more than 28 years – a sweet ending to a beautiful evening. We thank all of our guests for their wonderful support. You made the evening a great success.

EVENT RECAP:

# Douglas Elliman

On September 14, a team of cyclists from Douglas Elliman completed the seventh annual Douglas Elliman Ride for Love in support of God's Love We Deliver. Four groups of bike riders participated in either a 25-mile, a 50-mile, a 108-mile, or a 150-mile ride to Montauk. This year's participants raised more than \$180,000, and Ride for Love has now raised \$1 million—funding 100,000 meals—in its seven-year history.

Thank you to this year's sponsors Rise Media; Liberty Moving & Storage; Law Firm of Alexander Sussensky, P.C.; Katz & Matz, P.C.; Citizen's Bank; Jajan & Associates; Mark Fisher Fitness; Chaves Perlowitz Luftig LLP; and Financial Insight Training.

God's Love gives special thanks to Douglas Elliman, Howard Lorber, Ride Director Bridget Harvey, Stephen Larkin, Scott Durkin, Julia Cordry, Louise Holmes, Jen Doran, and every cyclist and donor who made this year's ride such a success.

EVENT RECAP:

# Pride

This past June we celebrated WorldPride, celebrating 50 years since the Stonewall Uprising. Much has changed in New York City since the historic uprising at the Stonewall Inn that has come to mark the start of the Pride movement 50 years ago. For nearly 35 of those years, God's Love We Deliver has been supporting sick and vulnerable New Yorkers, starting with those affected by HIV/AIDS.

During June we held several events in celebration of Pride. As always, we celebrate our history, our future, and our unwavering commitment to those living with HIV, to diversity, to LGBTQ+ rights, and to our entire community.

## Stonewall

On Tuesday, June 25, we joined Michael Kors and his husband Lance Le Pere, the Imperial Court of New York, and hundreds of our supporters at the Stonewall Inn to celebrate 50 years of Pride.

## Savor Pride

As part of Pride Week, God's Love teamed up with NYC Pride to bring together LGBTQ+ and ally chefs to create a one of kind event with in depth cooking demonstrations, discussions, and tastings. The event included host Lazarus Lynch, Chef Renee Blackman, Chef Julia Turshen, Chef Alex Koonen, Chef David Burtka, Chef Manuel Gonzalez Charles, Big Gay Ice Cream and Paulette Martin Goto and a huge, special appearance by Dr. Ruth!

## WorldPride

On Sunday June 30th, God's Love hit the streets for WorldPride, NYC's largest-ever celebration of Pride. We were thrilled to be joined by Chef Amanda Freitag, Felipe Rose of the Village People, and designer Peter Som!

This year we had a record-breaking 300 people join us to dance, walk, and proudly march down 5th Avenue. Special thanks to our Pride sponsors Michael Kors, ADP, Whole Foods NYC and Dr. Praeger's.

# Announcing our Golden Heart Awards Honorees

The Thirteenth Annual Golden Heart Awards will be held on Monday, October 21 in New York City. This year, Anna Wintour will serve as our honorary chairwoman along with co-chairs Cynthia Erivo, Neil Patrick Harris & David Burtka, John Idol, Hugh Jackman & Deborra-Lee Furness, Michael Kors, Aerin Lauder, Jordan Roth and Blaine Trump.

**Pete Buttigieg**, Mayor of South Bend, Indiana, will receive the Golden Heart Award for Outstanding Leadership and Public Service.

**John Demsey**, on behalf of his work as chairman of the M·A·C VIVA GLAM Fund, will receive the Golden Heart Award for Outstanding Volunteerism and Community Leadership.

Supermodel, entrepreneur and philanthropist **Iman** will receive the Michael Kors Award for Outstanding Community Service.

## Celebrating In a New Way at the Volunteer Soirée

Every year we are thrilled to throw our volunteer party celebrating the enormous and unparalleled contributions of our volunteers. After surveying our volunteers about this annual God's Love Volunteer Party, we made major changes and held our first-ever Volunteer Soirée!

The Soirée was held at God's Love where we hosted a baking demonstration with Chef Amanda Freitag, cookbook author, and Food Network star, along with Steven Marion, our Director of Volunteer Services and Special Events. We had cocktail demonstrations by Tito's Handmade Vodka, as well as a spa setup from Kiehl's. Great prizes were raffled off from groups who volunteer with us, including Lo & Sons, Two Ten Footwear Foundation, De Gustibus, SoulCycle, and Sir Kensington's. Finally, we dance to music by DJ Rumor. We hope everyone who joined us had a wonderful time.

We are very lucky to have such a wonderful team of dedicated volunteers who support us all year long. It is because of each and every one of you that we can serve those who are unable to shop and cook for themselves. Whether you are a weekly volunteer or first-timer, all of your time is valued and important to the success of our programs. Thank you.

WHAT'S YOUR LEGACY?:

# Meet Joseph Page

## Legacy Society Member

For two decades, The Legacy Society has provided an opportunity for individuals to open their hearts and sustain the mission of God's Love beyond their years. The Legacy Society is comprised of people who have chosen to support our work by including God's Love in their estate plans. Planned gifts, including bequests, create an extraordinary opportunity to provide the much-needed resources that will enable God's Love to help the seriously ill today and well into the future.

To illustrate the impact of such a gift, we reached out to Legacy Society member Joseph Page for his reflections.

*"I have been impressed by the work and passion of God's Love We Deliver since its founding days. Although I was interested*

*in helping out, I was unable due to job commitments. So, I did the next best thing by becoming a regular contributor. When I retired, I joined the ranks of volunteers and began "to walk the talk." Not only was I able to add to the fine work of God's Love We Deliver but I have also made a number of new and great friendships. I support the future endeavors of God's Love by including the organization in my will and by taking this small step to ensure that they are part of my legacy."*

Joining the Legacy Society is easy – you can make God's Love a beneficiary in your will, retirement plan, life insurance, trusts, or other estate planning vehicles.

By joining the Legacy Society, you'll receive special recognition, as well as invitations

to donor events and programs. If you are already a member, thank you. If not, please consider joining today.

For more information about joining the Legacy Society, contact Brandon Bryant at 212.294.8134.
