

Cards of Caring

For people living with severe illness in the New York City metropolitan area, God's Love We Deliver provides nutrition therapy, and cooks and home delivers medically tailored meals. We are a non-sectarian organization. All of our services are provided free to clients and full of love.

During the COVID-19 pandemic, we hope you'll join us in showing our clients how much we care by sending a "Card of Caring" to a New Yorker living with serious illness.

The front of the card should read

We're thinking of you!

The inside of the card should read

From Your Friends at God's Love We Deliver

Feel free to be as creative as you'd like with your drawings, but even simple designs like smiley faces and rainbows are easy and always brighten someone's day. In order for your cards to be used, they need to follow the following rules:

- No glitter, sequins, feathers or any other item that is small enough to get into the food containers
- Don't write "Get Well Soon" appropriate messages would include "Hugs & Kisses" and "Have a great day!"
- Don't include anything religious. God's Love is a non-sectarian organization and our clients come from various backgrounds and beliefs.
- Don't use writing materials that smear (like craypa/oil pastels)
- Don't sign your name or give out any personal information

**Please mail or deliver completed cards to:
God's Love We Deliver c/o The Volunteer Department
166 Avenue of the Americas New York, NY 10013**

Again, we can't thank you enough for participating in this project.

We are so excited to see what you create!
