A Gift that Touches Hearts and Lives

Every day vulnerable New Yorkers reach out to God's Love We Deliver desperate for help. We provide them with life-sustaining meals and nutrition counseling - free to all clients and their families, and full of love.

The Legacy Society is comprised of individuals who have chosen to support our work by including God's Love in their estate plans. Planned gifts, including bequests, create an extraordinary opportunity to provide the much-needed resources that will enable God's Love to help the seriously ill today and well into the future.

Joining the Legacy Society is easy - you can make God's Love a beneficiary in your will, retirement plan, life insurance, trusts, or other estate planning vehicles.

Legacy Society members receive special recognition, as well as invitations to donor events and programs. If you are already a member, thank you. If not, please consider joining today.

Your Personal Legacy: Four Options for Getting Started

1. BEQUESTS

By including God's Love We Deliver in your will, you can offer support without giving up crucial assets you may need now.

2. RETIREMENT ASSETS

401 (k), 403 (b), IRA, or pension funds

By making a gift of retirement assets, you may save your estate the significant burden of paying both estate and income taxes on those assets.

3. LIFE INSURANCE

Donating your life insurance policy to God's Love We Deliver may allow you to claim an immediate income tax deduction for the current value of the policy, and you may also be able to deduct your future premium payments.

4. TRUSTS

Charitable remainder trusts offer supporters a way to provide for themselves and their loved ones while they are alive and also support God's Love We Deliver.

“

The best legacy you can leave is one that keeps on giving. The Legacy Society keeps your memory alive. And for me it's important that the support I give God's Love We Deliver carries on.”

“

One of my dearest friends in the whole world, Derrick, passed away from AIDS. I couldn't save Derrick from his disease, but I could put my time, energy and love into feeding someone else who was facing illness, so I started volunteering with God's Love We Deliver. Helping others helped me through my grief, and helped me experience the joy of service.

I've joined the Legacy Society because God's Love is so special to me. You can clearly see the impact the organization has with a simple meal. I want this organization to be around forever and ever and I am so proud that my legacy is tied to an organization doing such good.”
