

Summer of Service

by Young Hearts of God's Love We Deliver

God's Love We Deliver cooks and home-delivers delicious, healthy meals for people living with severe illness — free to clients and full of love.

Summer of Service is a fun way for young people to stay involved with volunteerism and God's Love We Deliver during the summer months.

Show us your service this summer!

Complete this log sheet with each volunteer activity you do this summer. When all (or most!) are complete, send this sheet to God's Love and we'll send you a thank you Young Hearts Apron!

Suggestions for volunteer activities (check them off as you go!):

- ☐ Help keep your neighborhood clean by picking up trash on your block or at a local park.
- ☐ Decorate birthday cards for a God's Love client. See directions at glwd.org/younghearts.
- ☐ Write a card to a loved one telling them about God's Love.
- ☐ Take the trash out for the family.
- ☐ Collect change to donate to God's Love. Contact us at younghearts@glwd.org about your donation.

Did you complete other volunteer activities? Write yours here!

Get family and friends involved by supporting your volunteer and fundraising efforts – turn the page to learn more!

Please share your contact information so we can send you your apron in the school year:
