NEW YORK CITY (September 13, 2022) – God's Love We Deliver, the NYC metropolitan area's leading provider of medically tailored meals and nutrition counseling, has released their brand new 2022 holiday catalog that includes many standout items, such as their classic Chuck's Famous Brownies, red velvet cookies, and unique spice blends their chefs have developed in partnership with single-origin spice company, Burlap & Barrel. The catalog also features trays created and curated by John Derian and Alfredo Paredes Studio, a Gratitude candle created exclusively for the organization by Harlem Candle Company, holiday tribute cards, boxed holiday cards and program items to sponsor.

New to the catalog are holiday recipes from David Burtka, Samah Dada, Padma Lakshmi, Julia Turshen, and Zac Young.

These perfect gifts for the holidays and all year long are now on sale, with order deadlines for Thanksgiving (November 17), Hanukkah (December 12), and Christmas (December 19).

During this year's giving season, the need is more urgent than ever. Throughout the pandemic, God's Love has continued to serve clients with more than 200 diagnoses, including adding two new programs this year: a food and nutrition program for individuals with gestational diabetes, and a food and nutrition program for individuals who have served in the US military who are living with mental health and/or substance use issues. God's Love clients often report the life-giving meals make them feel both taken care of and part of a larger community, which has been especially important in the wake of social distancing and isolation. In the coming year, God's Love will cook and

home-deliver more than 2.8 million meals and serve more than 9,000 individuals – including clients and the children and senior caregivers of their clients.

100 percent of the net proceeds from sales of the catalog will benefit God’s Love.

The catalog is available for download in English and in Spanish at glwd.org/shop. Photo and video assets can be found [here](#).
