GROUP VOLUNTEERING AT GOD'S LOVE WE DELIVER

Our volunteers – over 23,000 last year – help us cook, package and deliver over 15,000 delicious and nutritious medically tailored meals each weekday to individuals living with severe and chronic illness who are too sick to shop or cook themselves. Annually outnumbering our staff by a ratio of more than 100 to 1, volunteers work in the kitchen and delivery departments as well as work in our offices.

The mission of God's Love We Deliver is to improve the health and well-being of people living with HIV/AIDS, cancer and other serious illnesses by alleviating hunger and malnutrition. We prepare and deliver nutritious, high-quality meals to people who, because of their illness, are unable to provide or prepare meals for themselves. We also provide illness-specific nutrition education and counseling to our clients, families, care providers and other service organizations.

All of our services are provided free to clients without regard to income.

God's Love We Deliver is a non-sectarian organization.
