A Letter from Board Chair Terrence Meck
and President & CEO Karen Pearl

Dear Community,

In this annual report on our fiscal year 2022, I think you’ll agree that God’s Love made significant progress throughout the Covid-19 pandemic. We expanded our operations and identified populations disproportionately affected by Covid. We conducted new outreach to those most in need. We also grew our policy impact by partnering with organizations and elected officials nationwide so that the importance of medically tailored meals is recognized by policy makers at the federal level.

Increased demand for our services has found us in need of more space. In the fall of 2021, we were excited to announce a second location for our expanding program staff in the historic Northern Dispensary building in the West Village. This is a distinctly beautiful building that has sat unoccupied on Christopher Street for many years. Auspiciously, on the side of the building, in stone, are the words, “Heal the Sick.” This new, additional location will provide the space we need to grow our programs and deliver more healing nutrition to those who are sick and in need of home-delivered meals. We are so grateful to Neil, Marinka, and Elijah Bender—and William Gottlieb Real Estate—for their support as we expand our presence in Manhattan.

More people in need are reaching out to God’s Love, and we delivered our 30 millionth meal in fiscal year 2022. This is a profound milestone for our organization. Just think about it. What began with one meal for one person with HIV/AIDS has now grown into 30 million acts of kindness, 30 million healing deliveries, and 30 million person-to-person moments of compassion.

Effective programs depend on a lot of support from the community, and we have many good friends who continue to amaze us with their passion and creativity. In 2021, God’s Love participated in the 100th Cow Parade, a public art event like no other. The Cow Parade brought our mission and message to a large new audience, and we are grateful for being chosen as the sole charity recipient of this fascinating event. Friendships forged through the Cow Parade will help us to continue to expand and serve more people throughout New York City.

As our programs continue to grow, we remain responsive to the needs of our community. In 2022, our Care Transitions Program partnered with insurers to provide rapid delivery of medically tailored meals to patients recently discharged from the hospital. Our medically tailored, home-delivered meals help these patients avoid readmission to the hospital by reducing the risk of malnutrition and further illness. Also, this fiscal year we launched our CONNECTED program for U.S. Military veterans with behavioral health issues. God’s Love is proud to be at the forefront of responding to these and other critical issues as we constantly work to advance health equity.

As always, we are grateful for the support of so many volunteers, donors, partners, and friends. The passion and energy of our diverse community is what makes this work possible. Thank you so much for your heartfelt generosity.

All our best,

Karen and Terrence
Our Mission

The mission of God’s Love We Deliver is to improve the health and well-being of people living with HIV/AIDS, cancer and other serious illnesses by alleviating hunger and malnutrition. We prepare and deliver nutritious, high-quality meals to people who, because of their illness, are unable to provide or prepare meals for themselves. We also provide illness-specific nutrition education and counseling to our clients, families, care providers and other service organizations. All of our services are provided free to clients without regard to income. God’s Love We Deliver is a non-sectarian organization.

Our Mission

Advocacy

God’s Love seeks to ensure that the medically tailored meal intervention is part of the continuum of healthcare, broadly accessible to those who need it, and always of the highest quality. Our research supports local, state, and national advocacy to bring medically tailored meals to the most vulnerable through innovative approaches. Food security does not start or end with receiving a meal; it is connected to a whole host of social circumstances, such as housing, access to care, and education.

Food is Medicine Coalition:

God’s Love We Deliver chairs the national Food is Medicine Coalition, an association of nonprofit medically tailored meal providers across the country that convene to:

- Provide a complete, evidence-based, medical food and nutrition intervention to critically and chronically ill people in their communities;
- Advance public policy that supports access to medically tailored food and nutrition services for people with severe and/or chronic illnesses;
- Promote research on the efficacy of food and nutrition services on health outcomes and cost of care.
Our Mission

Nutrition: Our Signature Difference

Individualized, tailored nutrition care sets us apart from other meal programs in New York City. Every client on our program works with a staff Registered Dietitian Nutritionist to make sure we design the custom meal program that best meets their specific medical and nutritional requirements. Clients have access to unlimited nutrition counseling as well as ongoing nutrition education. In partnership with our Culinary team, our meals are individually tailored with the highest quality ingredients to ensure that our clients always receive optimal nutritional value.

We’re proud to always be improving and evolving our offerings. New menu items include whole grain salads packed with fiber and breakfast additions like antioxidant-rich blueberry pancakes. We source sustainably, providing local grass-fed beef, antibiotic-free chicken, wild caught fish, and local and seasonal vegetables. From the development of our therapeutic, evidence-based menus made with the freshest ingredients to unlimited nutrition counseling for changing dietary needs, we see the power of food as medicine and understand the significance of good nutrition.
Our Mission

The Extra Mile: Celebrations for our Clients

The health and well-being of our clients depend on more than just nutrition: they are improved by connection and joy. We provide a few special touches for our clients to deliver those, too!

To make the holiday season brighter for our clients we provide each client and their guest a special meal on Thanksgiving and again in late December. Because every birthday is worth celebrating, our tireless bakers bake and personalize a birthday cake for every client. Each cake comes with a card hand-crafted by volunteers—most often our “Young Hearts,” our youngest volunteers and philanthropists—with best wishes for their special day. Including cards with deliveries for birthdays, winter holidays, and Valentine’s Day builds a special connection between our clients and those dedicated to serving them, helping to brighten the day for both giver and recipient.

Eight Things We’re Proud of This Year

1. Introduced Healthy Starts, A One of Kind Gestational Diabetes Program
   People can now access our medically tailored meals to help manage a diagnosis of gestational diabetes. The program goes far beyond meals to provide education and counseling to support the best possible health outcomes for the pregnant person and their baby. The risks of gestational diabetes include high birth weight and pre-term birth, as well as high blood pressure or type two diabetes for the pregnant person. With the intervention of our 3-Step RDN led nutrition plan, the chances of these complications decrease and the possibility of good health in a critical time of development soars.

2. Created More Freedom of Movement with Our Utility Cart Program
   For many of our clients living with debilitating illness, lifting even moderately heavy items can be a challenge. Carrying a full delivery of food from door to fridge is strenuous at best, impossible at worst: requiring assistance from a home health aide or family member. Utility carts provide a solution—a device that allows clients to transport shopping bags, medical equipment, and other household items with more ease. While the support of others is irreplaceable, a cart is a simple way to give an individual a renewed sense of independence and self-esteem.

3. Expanding Our Reach From Historic Northern Dispensary Building
   Since 2020, we’re serving more New Yorkers than ever. The addition of staff has stretched our beloved headquarters to the max. We’re thrilled to be adding an additional site of operations at The Northern Dispensary in the West Village. Built in 1831 as a place of refuge for people who had limited resources, the deed mandates this building be used to serve “the infirm.” So the unique triangular shaped building has sat empty for over three decades—almost as long as God’s Love has been operating. Karen Pearl, former President and CEO, aptly names it “kismet”: a new life for an old building, with a unified mission to “Heal the Sick,” as is proclaimed on a plaque on the Dispensary’s red brick wall.
Published Community Food and Health Resources in English and Spanish.

We needed a tool that tapped into a systemically-minded approach; we needed to be able to quickly connect clients with other city agencies, groups, and resources to address the rapidly shifting challenges accompanying a public health emergency: fear, isolation, and economic anxiety, to name a few. We responded rapidly to make The God’s Love Community Food and Health Resources available to clients, providers, and community members in two languages (for now, with more to come!) This easy to read guide includes social services, mental health resources, and additional food access services.

Marcus Lemonis Awards God’s Love With “The Great American Tip Off”.

Marcus Lemonis, champion of small businesses and community based organizations, television personality, and our great friend gave the holiday gift that always fits. In recognition of the dedication and resilience of all of our staff throughout the pandemic, Marcus announced a “tip” of $3,000 for every God’s Love employee as part of his Great American Tip Off program. His exceptionally generosity didn’t stop there: Marcus went on to donate $1 million to bolster our services to our most vulnerable populations. We have been consistently blown away by Marcus and his wife Bobbi’s commitment to doing the most good and could not be more thankful for these spectacular gifts.
Eight Things We’re Proud of This Year  

6 We Launched Our First Ever Program Specifically for US Military Veterans  
In the words of Craig Newmark, founder of craigslist and craigstable, “Veterans deserve better and they deserve more, and I know that the nutritious meals they’ll receive from God’s Love—along with a smile and even a birthday cake on their birthday—will make all the difference in the world to our veterans’ health and quality of life.” Craig has provided enormous support, along with the Bob Woodruff Foundation, PyschArmor, and the NYC Dept of Veterans Affairs, to enable our pilot program for veterans living with PTSD. We’re proud to provide ten medically tailored meals each week, ongoing nutrition counseling, and additional meals to qualifying household members—all informed by trauma-aware practices and delivered with love.

7 The 100th CowParade Took Over Moo York  
More than 75 diverse contemporary artists, designers, and celebrities brought their talents to bear on this unique public art event. Cynthia Erivo, Amy Denet Deal, Neil Patrick Harris & David Burtka, and many more turned life-size cow canvases into brilliant works of art which could be seen ‘at pasture’ all over the five boroughs. We are honored to be the exclusive charity partner for this event, receiving 100% of the proceeds to support out life saving work.

8 Initiated Care Transitions for Individuals Leaving the Hospital  
Proactive, preventative care has always been at the heart of our approach. That’s why we developed a program to provide rapid delivery of medically tailored meals for a minimum of 30 days to people discharged from the hospital. This valuable tool empowers clients from our healthcare partners, helping them avoid readmission to healthcare facilities and reduce future illness. The Care Transitions Program is provided through insurers and is a critical component to the most comprehensive care approaches.
Celebrating 30 Million Meals with Hugh Jackman and Sutton Foster

As the tulips began to bloom on our roof-top garden in the heart of spring, we celebrated a monumental development right inside our four walls. God’s Love delivered our 30th millionth meal on April 20th, 2022; appropriately occurring during National volunteer week. We are so proud to see what we can achieve thanks to our committed and compassionate volunteers, staff, and supporters. Our founder Ganga Stone delivered one meal to one man dying of AIDS nearly 40 years ago—no one could have foreseen how that personal act of kindness from a volunteer would grow into a movement with immense impact for hundreds of thousands of people living with severe illness and a national voice declaring our belief that Food is Medicine.

30 million is an astonishing number. But what makes it so remarkable is that this moment represents 30 million acts of kindness. That is 30 million delicious, nutritious, and individually tailored meals. That is 30 million moments of comfort and care – and 30 million smiles – delivered to our neighbors who need us.

Special guests Hugh Jackman and Sutton Foster took a break from performing in *The Music Man* to don hairnets and aprons for the occasion. To kick off the day, they gave remarks emphasizing our tireless efforts during the pandemic to ensure those whose lives were upended overnight were nourished and cared for. After a moving call to action, Hugh and Sutton joined our kitchen crew to chop veggies and officially pack out our 30th millionth meal!
Signature Events

CowParade NYC
This public art extravaganza benefitting charities all over the world was last here in New York City in 2020 before heading off to locales like Brazil, Brussels, Prague, Mexico, Hong Kong and so many more: more than 90 exhibits in 34 countries with more than 6,000 life size fiberglass cows painted and imaginatively transformed by many thousands of global artists and sculptors. For CowParade2021, these lovingly adorned cattle return to NYC with God’s Love We Deliver as the sole beneficiary. We were thrilled to host the 100th CowParade event in August and September. They grazed in eight pastures spread across all five boroughs—Industry City, Hudson Yards, the New York Hall of Science, Bronx Community College, National Lighthouse Museum, Rockaway Beach, Macy’s 34th Street, and Bloomingdale’s 59th Street. With participation from over 70 artists and designers, each cow was an incomparable vision. The event concluded with an auction allowing the public to own a bit of this delightful historical exhibit, with all funds directly supporting our clients and our mission.

Love Rocks NYC
Our sixth annual Love Rocks NYC benefit concert sold out the historic Beacon Theater on March 10 with a star studded night of performances executive produced by acclaimed fashion designer John Varvatos and prominent concert producers Greg Varvatos and Nicole Rechter. The concert was hosted by Mario Cantone, Steve Shirripa, and Michelle Buteau (Bill Murray couldn’t resist popping in for a surprise guest host moment) and raised more than $3 million dollars for God’s Love We Deliver. The breathtaking event saw rock and soul music legends sharing a stage with the brightest young stars. Our audience cheered on Keith Richards, Mavis Staples, Hozier, Melissa Etheridge, Allison Russell, Tyler Bryant, SistaStrings, and Celisse, just to name a few of the incredible artists. The night also presented an opportunity to celebrate the milestone of our 30th millionth meal this spring and was livestreamed so fans everyone could partake.

Race to Deliver

Every year, we host a 4 mile race in Central Park, Race to Deliver, that marks “curtains up” on Thanksgiving week and the holiday season at God’s Love We Deliver. Thousands of runners and dozens of teams participated to raise funds for our lifesaving meals and bring awareness to our mission to race against hunger and illness. The sun sparkled, ochre leaves rustled beneath sneakers, and joyful energy filled the autumn air in the heart of Manhattan as runners followed the course, each to their own ability. Adaptations were made to keep everyone safe in this time of Covid-19, but the spirit of community support was as strong as ever.

Introducing: Our New Partnership with the New York City Wine & Food Festival

This year, God’s Love We Deliver was so pleased to announce a new, very special partnership with the New York City Wine and Food Festival, or NYCWFF. The festival marked it’s 14th year of presenting live events across New York City featuring some of the city’s finest culinary artists with the simple mission to EAT. DRINK. FEED NYC. The spark of our novel pairing was fanned by another exciting development: signature tastings like The Grand Tasting and Backyard BBQ hosted by Pat LaFrieda were anchored at Hudson River Park at Piers 76 and 86. While flavors from more than 400 robust NYC hospitality artisans lit up our taste buds, backdrops of sunsets, rainbows, and the impressive Intrepid Museum dazzled our sights. Fan favorite events like Blue Moon Burger Bash hosted by Rachel Ray and Drag Brunch hosted by Neil Patrick Harris and David Burtka wowed once again, while new events were enthusiastically welcomed by all. With 28,000 attendees, NYCWFF 2021 was the largest food and wine event to return to the city since the pandemic, giving us all a long awaited reason to celebrate.
Signature Events

A Dazzling Night at the Golden Heart Awards
A lively atmosphere was palpable both in person and online at our hybrid annual gala held on October 18 from the Glasshouse in Manhattan. The evening honored the extraordinary achievements of Billy Porter and Don Lemon, champions of values near and dear to God’s Love. Highlights from the event include performances from legends Dionne Warwick and Cindy Lauper, a welcome from Alan Cumming decked in a Michael Kors x God’s Love Sweater, and a surprise tribute from Anna Wintour to our most stalwart supporter Michael Kors himself. Cocktails were crafted by Bemelmans Bar and diners relished dishes from local icons like Russ & Daughters, Bolivian Llama Party, Sardi’s, and more. We also aired the world premiere of our new video featuring Broadway, TV, and film star Jane Krakowski, who gives a special tour of God’s Love. The night was a huge success, raising funds to facilitate our ongoing response to the growing demand for our home-delivered meal program.

Midsummer Night Drinks at Gramercy Tavern
We were thrilled to reinstate our annual summer fundraiser with the 20th year of Midsummer Night Drinks. Held this year at Gramercy Tavern, run by longtime supporter Chef Michael Anthony, the venue couldn’t have been a more perfect backdrop for the fabulous food, drinks, and ensembles! Guests noshed al fresco on passed hors d’oeuvres and a three course dinner with wine pairings. On the menu were marinated fluke, striped bass or roasted duck breast, and caramelized cheesecake. Guests also enjoyed refreshing signature NEFT VODKA cocktails and left with a miniature barrel of NEFT VODKA.

Very special thanks to our good friends at Gramercy Tavern and NEFT VODKA for helping us make this year’s Midsummer Night Drinks another one to remember!
Partnered Events

**Summer & 6th**
This summer we inaugurated Summer & 6th, an event to celebrate genLOVE, the young professional group committed to making a difference and raising awareness about God’s Love We Deliver. The group is headed by an Executive Committee that leads the charge on fundraising, awareness, and volunteering. This event marked a warm welcome to 10 new committee members and a fond farewell to four founding members. As Trent Huffman, Lindsay Feinberg, Chloe Kelley, and Anjuli Nanda Diamond wrap up their term as magnificent leaders and supporters, we feel grateful for the legacy they’ve left for other like-valued young professionals to carry on. Summer & 6th filled our 5th floor kitchen and patio with good fun, bright thinkers, and good will that we know will carry on for a long time to come.

**Ride for Love**
On Sunday, September 19, cyclists nationwide raised over $150,000 during the 9th annual Douglas Elliman Ride For Love. Since its inception, the Ride for Love has raised over $1,157,000 to fund our live-saving meals. The last two years have required restructuring of the ride to keep riders as safe as possible in the face of Covid-19. Luckily, that didn’t diminish anyone’s enthusiasm and riders were able to form small groups to collectively cover thousands of miles all over the country—one person even joined in from Spain! Despite the logistical challenges we faced, our passionate riders once again blew us away with their fundraising efforts. This event has been helmed with relentless dedication by Bridget Harvey and supported by Douglas Elliman.

**Pride March**
Hundreds of God’s Love staff, volunteers, and community members rallied in the streets to revel in the return of the NYC LGBTQIA+ Pride March after a two year hiatus. Our gratitude emblazoned float launched from 32nd Street and 5th Avenue to carry many proud and merry celebrants downtown; as many more marched before and after the float, themselves carrying our gorgeous banner. Our DJs, Ben Bustamante and Ray Herrera, kept the party live. Culinary Council member Amanda Freitag, Board member Melba Wilson, and comedian and actor Michelle Buteau represented God’s Love to the crowd with uplifting joy. The Pride March is a place of beauty, safety, and affirmation for so many who have been underserved by social systems and disproportionately affected by illness and poverty—those most in need of our support. It is an honor for us to participate each year to demonstrate not only commitment to care but allyship and unity with all LGBTQIA+ folks and their struggles.
Giving Time and Saving Lives

A Message from our Director of Volunteer Services, Yolanda Deceus

There are three things I know we all can count on in life, and my favorite? Our volunteers!

That’s right – our volunteers truly are the heart and soul of God’s Love We Deliver. I see it every day, and their commitment to our clients is a beautiful thing to witness. When our doors open in the morning, our volunteers arrive ready to tackle whatever it is we have in store for them, from prepping and packaging, to delivering meals.

These days they make sure to be safe, too. I want to thank every volunteer for following our COVID protocols as they change. Our clients appreciate not having to worry as you bring meals, love, stories, talents, and amazing energy to all that you do.

Last year our volunteers went above and beyond, as they always do. They staffed new shifts, delivered in the coldest weather, ensured that our kitchen could keep cooking, and made the holidays bright. We know our clients can always count on us, because we can always count on our volunteers. Thank you!

With love and gratitude,

Yolanda and the Volunteer Services Department

Delivering Love to Carlo

Carlo is a psychiatric nurse practitioner who, at 70 years old, still loves going for long walks and caring for others. It was devastating when he received the news that his cancer had returned after years of remission. The treatments left him weak, exhausted, and barely able to get out of bed. He struggled to perform the most basic care tasks and was forced to step away from the job he adored. Carlos was on advisement to restrict exposure to others as much as possible due to the risk of contracting Covid-19, and became so sick he was placed on hospice care. His social worker helped him get connected to God’s Love and begin receiving regular meal deliveries specially crafted for his health needs. The impact was immeasurable and he improved both physically and emotionally. He says, “Your meals helped me get stronger. And on top of that, your staff were so kind, all the time. Thank you.” As the months passed, his treatments fought off the cancer and his meals nourished his body: he is in remission and grateful to be exercising again. As he rebuilds strength, he looks forward to the time when he can return to work. It is meaningful that he’ll be able to give back to the organization that was there for him—he plans to donate a portion of his salary to God’s Love each month.
Delivering Love to Khalia

As a child, Khalia was diagnosed with arthrogryposis, a rare joint and muscle condition that affects mobility. It is so rare that doctors in her birth state of Virginia were unequipped to treat it, and she moved to New York City to access care. Through diligent attention to treatment and physical therapy, Khalia was able to not only manage the effects of arthrogryposis, but also thrive. However, the birth of her son Brandon wrought many changes to her body: her mobility was detrimentally impacted. When chronic pain prevented her from standing to cook a meal, her care manager connected her to God’s Love. That was in 2010 and we’ve been there for Khalia through every challenge since. When Khalia and Brandon tested positive for COVID-19 last October, Khalia became very ill for several weeks, keeping her home bound over her birthday. Khalia credits God’s Love for keeping her nourished through quarantine and for bringing the spirit of celebration back into her birthday. For New Yorkers who struggle to ask for or accept help, Khalia has these inspiring words: “You don’t have anything to prove. Sometimes as a single parent, or a New Yorker with a disability, we always feel like we have to prove to everyone that we can do it. The reality is, everyone needs help sometimes. Reaching out doesn’t make you less of a parent or less of a New Yorker. Your health and safety are the most important things in the world.”
Delivering Love to Raynes

As a client of God’s Love and a prolific and talented artist, Raynes Birkbeck was a top choice when we were recruiting contributors for this year’s Cow Parade. Soon after Rayne’s diagnosis of HIV/AIDS in 1995, Raynes found art-making as a salve. He says, “I use my paintings to not only tell a story about love, but about life.” His art depicts broad definitions of love, from romantic to unrequited to love of community. Each canvas is filled with characters that he brings to life with rich narrative. Raynes shares that these characters are “people getting over the problems of their everyday life.” Many are fictional and some are based on people he knows in real life. When he reflects on the viewers experience, he says, “If I wanted to give an emotion, a feeling, it’s hope.”

Raynes loves our meals, which have helped keep him healthy throughout the COVID crisis. “COVID came along and reminded people that they need other people. We are our brother’s keeper. And God’s Love is one of those organizations… without them, it would have been impossible for a lot of people to make it. I know that God’s Love kept me alive.”

The Cow sculpture that Raynes designed and painted for the CowParade was publicly exhibited before being moved to the God’s Love building at Spring and 6th where it will adorn our space and bring hope to our days for a long time to come.
Financials - FY22

God’s Love We Deliver earns the highest ratings from Better Business Bureau, Charity Navigator, and GuideStar. These ratings reflect the organization’s demonstration of strong financial health and commitment to accountability and transparency.

Revenue
- Special Events (net of direct costs) $12,168,905
- Individuals $7,304,966
- Health Care and Partnerships $5,255,122
- Government $4,570,711
- Foundations & Corporations $4,436,756
- Bequests $3,994,441
- Other Income ($2,398,216)

Total Revenue $35,332,684

Expenses Excluding depreciation
- Program $26,805,757
- Management & General $1,824,417
- Fundraising $4,730,580

Total Expenses $33,360,754

Funding from generous individuals, foundations, corporations, and government sources provide a diversified base of support, helping to ensure that we can continue our work without overreliance on one revenue stream. We work hard to guarantee that valuable contributions are used on behalf of our clients. In FY22, 80% of all expenses went directly to client programs. Our donors expect no less.
Join Us

Comprised of a growing group of special individuals who make annual gifts of $1,000 or more, the valued members of the Golden Heart Society provide critical program support for the clients of God’s Love.

Monthly donations provide donors with an easy way to support our clients and ensure a steady source of good nutrition, hope, and dignity for the people and their families who depend on our meals.

Friends who include God’s Love in their estate plans are invited to join our Legacy Society. Planned gifts, including bequests, create an extraordinary opportunity to provide the much-needed resources that will enable us to help the seriously ill today and well into the future.

The VANguard Program

We would not be able to home-deliver the more than 2 million medically tailored meals each year for our clients without our state-of-the-art refrigerated vans.

For $70,000 all-in, members of our VANguard program can purchase a van for God’s Love We Deliver, and be with us each mile, providing meals that heal, delivered with LOVE!

We’ll include your name and logo on the top and sides of the van, so that every New Yorker who passes by knows that you’re a member of our VANguard.
